

Call for Applications

CECAM-Lorentz Workshop 2027

CECAM and the Lorentz Center are looking for researchers to organize the annual CECAM-Lorentz workshop, to be held at CECAM-HQ, Lausanne, Switzerland.

The program hosts a leading-edge workshop in computational simulation and modeling and its application in molecular simulations and related areas.

The theme of this year's call is "Addressing the carbon footprint and environmental impact of computational science: between software and hardware".

What we seek

- a team of 3-5 scientific organizers, broad and diverse
- an innovative scientific program that takes us beyond our current boundaries
- an open and interactive format, with few lectures

What we offer

- a 5-day workshop for up to 25 people between 1 February and 31 May 2027
- funding for accommodation, catering, travel and other organizational costs
- professional support organization

Procedure

- 1-page expression of interest by 17 December 2025
- if shortlisted, a full application by 1 March 2026
- final decision by 2 April 2026
- submit applications via www.cecaml.org/submit-lorentz-proposal
