

CALL FOR APPLICATIONS

CECAM-Lorentz Workshop 2022

CECAM and the Lorentz Center are looking for scientists who want to organize the eighth annual CECAM-Lorentz Workshop, to be held at CECAM, EPFL Lausanne, Switzerland.

The CECAM-Lorentz program funds an annual workshop in computational simulation and modeling and its applications. Strongly interdisciplinary computational science topics, targeting discussions and new synergies between different communities from the natural/exact sciences are welcomed.

Organizing teams and participant lists that reflect this interdisciplinary spirit are strongly encouraged. Diversity, both in gender and geographical provenance, of organizers and participants are equally encouraged and will be considered in the evaluation of the proposals.

What we seek

- an innovative scientific program, that takes us beyond our current boundaries
- an open and interactive format, with few lectures

What we offer

- a 5-day workshop for up to 25 people in the second half 2022 / first half of 2023
- travel and accommodation reimbursements and other organisational costs
- a professional support organisation

Procedure

- a 1-page expression of interest by 1 November 2021
- a full application by 15 December 2021
- final decision mid-January 2022
- submit applications via:
